Giant hands in Grand Canal, Venice

May 13, 2017 7528

On Thursday, in Venice, appeared the colossal hands transported by a barge along the Grand Canal.

Those who witnessed the singular scene easily realized that it was one of the installations of the Art Biennale, while the "mystery" on their destination was resolved later.

The work was carried to the hotel Ca Sagredo and placed there. The beautiful piece of art is between 8 and 9 meters high and represents two hands symbolizing the palace...
